God, help me say “I’m sorry” even when I don’t feel like it and I don’t want to do it. And help me to ask for forgiveness from those I’ve hurt.

Meditation is quieting your spirit so you can hear God speaking to you. I'll read the meditation exercise first, then you will repeat it after me.

With Our Words

What we say is very important. Our words can hurt people, or make them feel good. Raise your hand if you like to hear somebody say something good about you. Okay, now raise your hand if you like to hear somebody say something bad about you. You see, out of the same mouth, we can do both. In today's lesson from the book of James we will learn somethings to remember about the words we say.

Book of James Chapter 3 Verses 9 and 10

With out tongues we praise our Lord and Father. With out tongues we call down curses on people. We do it even though they have been created to be like God. Praise and cursing come out of the same mouth. My brother and sisters, it shouldn't be that way.
