**2015
Renewing
the
Mind**

January 26, 2015

Spirit and Truth family,

"Truth is a journey, not a destination." This idea has been one we have pondered for several years now. We have come to learn that on a spiritual path there is new truth and fresh revelation each and every day. Jesus reminds us "man shall not live by bread alone, but by every word that proceeds from the mouth of God." *The Word of God is alive, active and now!*

As we have opened our minds to the Holy Spirit our expression has changed and our paradigm has been enlarged. We have learned that God is bigger than religion, and Spirit expresses in many different ways, and exists in many different streams.

To have this inclusive idea and expression in the southeastern United States is quite unique. We truly are a peculiar people! And, the world is taking notice.

THIS SUNDAY, February 1st, CNN will be at Spirit and Truth to capture video/photos of the ideas of inclusion in action. I encourage all of our members to be in attendance as we model the love of God and essence of the Christ person, principle and presence!

There will be only **ONE SERVICE this Sunday, February 1st, at 10:00 a.m.**

My heart is full of gratitude knowing we all have made a conscious decision to continue the journey toward truth together.

In Spirit,

D. E. Paulk,
Senior Pastor
