Cathedral Family,

As we draw near to Easter Sunday and the celebration of our Lord's Resurrection, we have an incredible opportunity to experience the Power of Resurrection as a church family. As we are all aware, we have been in the process of attempting to purchase property for some time. And now, I am eager to let all of our family know we have finally arrived at a place where owning our own church property could actually be a reality.

The lending organizations we have negotiated with are all requiring us to have 20% of the purchase price as a down payment. The good news is that by the grace of God we have already saved more than half of the necessary funds for the down payment. However, we still need to raise another \$180,000.00 in order to realize this opportunity.

I believe this is a moment of true favor for us. And, if our country were not currently experiencing economic challenges the price for this property would certainly be more than twice the amount being offered to us in this season. What may have looked like a famine has been turned for our favor. Look at God!

If every member will do his/her share I know in my spirit we will be able to make this dream come true!

"...for the body is made whole by what **EACH PART** supplies." Ephesians 4

I am asking each one of us to bring a special offering on this Easter Sunday. Brandi and I have already sown the first \$1,000.00 seed toward reaching our goal. I pray that all of our Cathedral Family members will join Brandi and me by sowing your best seed this Easter. As we all gather to celebrate the power that raised Jesus from the grave we must be aware of the truth that the very same power that resurrected Jesus, now lives in us! We now have the same power to get back up again!

Cathedral Family, this is our moment of Resurrection. Let's all set our minds and hearts to do our part so we will be able to realize this miracle together.

This Easter Sunday, April 8, 2012, we will only have one corporate worship service at 10:30 a.m. As we gather to worship let us also gather in faith believing that God, and the God in us, is able to perform His Word. The same God who began a good work in us will see it to the day of salvation, completion and perfection!

Pro-love,
