Spirit and Truth family,

Our young people are all back in school and the Fall season is quickly approaching. Our students have created their Vision Boards detailing their individual goals for the year. All of our spiritual community has become mindful of keeping a personal vision and purpose in front of us. Now is the time for all of us to make a shared commitment to Spirit and Truth Sanctuary and the CORPORATE VISION God has entrusted into our hands.

A necessary part of committing to a vision of any sort is being faithful in financial giving and investing. There are so many of us who have to travel or be absent on Sundays from our corporate worship service. Whether it is for work, family or leisure, many among us are absent from one or more Sunday worship services each month. When you are not present at worship services we miss you greatly. We miss your spirit, your gifts, your love, your smile. We also miss your tithes and offerings which make the ministry of Spirit and Truth Sanctuary possible.

In an effort to recommit ourselves to this unique vision, September will be a month of STEWARDSHIP at Spirit and Truth. On Sunday, September 6th, each member of Spirit and Truth Sanctuary will make a pledge for what they will give from September 6th through December 31st of this year. I have included with this letter a simple form to help all of us make sure we are being both committed and consistent with our tithes and offerings. On Sunday September 6th, we will all make our pledges and then set our intention to be faithful over what God has called us to do together. I believe this is a very simple way to write down our vision, or vow, and keep it before our eyes.

I encourage every member of our spiritual community to be in attendance on Sunday, September 6th.

We have put our hands to the plow...let's not turn back or become weary in well doing!

In Spirit

D. E. Paulk,
