Cathedral Family:

Happy Anniversary!

Sunday, October 2nd at 10:30 am, we will celebrate our **51st CHURCH ANNIVERSARY** by hosting a **FIREBRAND CHOIR REUNION**. I am excited to reconnect with so many of our friends, now grown, who once were a part of this dynamic youth choir. For this special day we will have only one combined service and will also receive communion together as a corporate body. I encourage you to invite a friend to come and experience this awesome day of thanksgiving and remembrance with us!

Now, for a moment, please allow me to share with you from my heart. While many ministries are struggling to survive, we find ourselves in a season of great opportunity as a church family. Given the economic climate and the decline of real estate property values, it is possible that we could qualify to purchase the church property we are now leasing...and purchase it for a fraction of the appraised value. All things truly work together for good. We desperately need to raise a down payment that would enable to us to begin this purchase process. I am asking all of us to bring a special offering to our 51st Anniversary service. Many can give (and have already pledged) **\$1,000.00 or more**. Most of us will be able to bring an offering of **\$500.00 or more**. And, I believe all of us will set our hearts to bring a special offering of at least **\$100.00**. I am persuaded this is a moment of destiny for us as a church family.

Some of you who will receive this letter may have recently fallen short in your tithes and offerings. Others of you reading this letter may not have even attended a service in the past few months. Whatever the case may be, I encourage every active and inactive member alike to be a part of this moment. If **ALL OF US** will participate in this special offering I believe we can raise the necessary down payment to purchase the property and also experience a corporate blessing that will benefit us all!

Finally, it is my desire that as we continue to search for deeper truth and seek higher revelation that none of our church family members be left behind. As we have transitioned from Kingdom to Inclusion to Spiritual Oneness there are many questions that have either come to or have remained just below the surface. This is certainly to be expected. So, in an effort to answer each and every question, we have begun a **FOUNDATIONS CLASS every Sunday morning at 9:00 am**. This class is specifically designed to give a scriptural understanding of who we are and what we teach. This class will also be an incredible benefit to any and all new members. At the end of each class there will be a time for questions and answers. If you, or any other member you know, have felt left out or left behind at any point in our journey, please give this class a chance to reconnect you with your Cathedral Family.

I am so honored to share this moment, movement, mandate and message with you. And, I feel in my soul that our best and blessed days lie just ahead of us!

Pro-love,
