

Wednesday Night Study Series – “You Can Heal Your Life”

Prayer of Surrender: Spirit of Truth, CARRY ME where you will; BRING TO ME what You will; TAKE FROM ME what You will; AWAKEN IN ME what You will. The Christ MAN is around me. The Christ MIND is in me. The Christ POWER flows through me. And, the Christ MYSTERY exists as me. I believe it. I perceive it. And, now I receive it! I am surrendered. Amen. And, so it is!

Prosperity (Part II)

Make room for the new! Clean out your refrigerator; get rid of all those little bits of stuff wrapped in foil. Clean out your closets; get rid of all the stuff you have not used in the last six months or so. If you haven't used it in a year, definitely get it out of your home. Sell it, trade it, give it away, or burn it. Cluttered closets mean a cluttered mind. As you clean the closet, say to yourself, “I am cleaning out the closets of my mind.”

The Universe loves symbolic gestures. The first time I heard the concept, “The abundance of the Universe is available to everyone,” I thought it was ridiculous. “Look at all the poor people,” I said to myself. “Look at my own seemingly hopeless poverty.” To hear, “your poverty is only a belief in your consciousness” only made me angry. It took me many years to realize and accept that I was the only person responsible for my lack of prosperity. It was my belief that I was “unworthy,” and “not deserving” that “money is difficult to come by,” and that “I do not have talent and abilities,” that kept me stuck in a mental system of “not having.”

MONEY IS THE EASIEST THING TO DEMONSTRATE! How do you react to this statement? Do you believe it? Are you angry? Are you indifferent? Are you ready to throw this book across the room? If you have any of these reactions, GOOD! I have touched something deep inside you, that very point of resistance to truth. This is the area to work on. It is time to open yourself to the potential of receiving the flow of money and all good.

Love your bills. It is essential that we stop worrying about money and stop resenting our bills. Many people treat bills as punishments to be avoided if possible. A bill is an acknowledgment of our ability to pay. The creditor assumes you are affluent enough and gives you the service or the product first. I bless with love each and every bill that comes into my home. I bless with love and stamp a small kiss on each and every check I write. If you pay with resentment, money has a hard time coming back to you. If you pay with love and joy, you open the free-flowing channel of abundance. Treat your money as a friend, not as something you wad up and crush into your pocket.

Your security is not your job, or your bank account, or your investments, or your spouse or parents. Your security is your ability to connect with the cosmic power that creates all things. I like to think that the power within me that breathes in my body is the same power that provides all that I need, and just as easily and simply. The Universe is lavish and abundant, and it is our birthright to be supplied with everything we need, unless we choose to believe something to the contrary.

I bless my telephone with love each time I use it, and I affirm often that it brings me only prosperity and expressions of love. I do the same with my mail box, and each day it is filled to overflowing with money and love letters of all kinds from friends and clients and far-off readers of my book. The bills that come in I rejoice over, thanking the companies for trusting me to pay. I bless my doorbell and the front door, knowing that only good comes into my home. I expect my life to be good and joyous, so it is.
