

Wednesday Night Study Series – “You Can Heal Your Life”

Prayer of Surrender: Spirit of Truth, CARRY ME where you will; BRING TO ME what You will; TAKE FROM ME what You will; AWAKEN IN ME what You will. The Christ MAN is around me. The Christ MIND is in me. The Christ POWER flows through me. And, the Christ MYSTERY exists as me. I believe it. I perceive it. And, now I receive it! I am surrendered. Amen. And, so it is!

Work

I am deeply fulfilled by all that I do. Wouldn't you like to have that statement be true for you? Perhaps you have been limiting yourself by thinking some of these thoughts:

I can't stand this job.

I hate my boss.

I don't earn enough money.

They don't appreciate me at work.

I can't get along with the people at work.

I don't know what I want to do

This is negative, defensive thinking. What kind of good position do you think this will get you? It is approaching the subject from the wrong end. If you are in a job you don't care for, if you want to change your position, if you are having problems at work, or if you are out of work, the best way to handle it is this:

Begin by blessing your current position with love. Realize that this is only a stepping stone on your pathway. You are where you are because of your own thinking patterns. If “they” are not treating you the way you would like to be treated then there is a pattern in your consciousness that is attracting such behavior. So, in your mind, look around your current job or the job you had last, and begin to bless everything with love – the building, the elevators, the offices, the people, the customers and so on.

Begin to affirm for yourself that, “I always work for the most wonderful bosses.” “My boss always treats me with respect and courtesy,” and, “My boss is generous and easy to work for.” This will carry forward with you all your life, and if you become a boss, then you will be like that too.

A young man was about to start a new job and was nervous. I remember saying to him, “Why wouldn’t you do well? Of course you will be successful! Open your heart and let your talents flow out of you. Bless the establishment, all of the people you work with, the people you work for, and each and every customer with love, and all will go well.” He did just that and was a great success.

If you want to leave your job, then begin to affirm that you release your current job with love to the next person who will be delighted to have it. Know that there are people out there looking for exactly what you have to offer, and that you are being brought together on the checkerboard of life even now.

If you like your job but feel you are not getting paid enough, then begin to bless your current salary with love. Expressing gratitude for what we already have enables it to grow. Affirm that you are now opening your consciousness to a greater prosperity and that PART of that prosperity is an increased salary. Affirm that you deserve a raise, not for negative reasons, but because you are a great asset to the company and the owners want to share their profits with you. Always do the best you can on the job, for then, the Universe will know that you are ready to be lifted out of where you are to the next and even better place. Your consciousness put you where you are now. Your consciousness will either keep you there or lift you to a better position. It’s up to you.

Affirmation for Work

I am totally open and receptive to a wonderful new position, one that uses all my talents and abilities, and allows me to express creatively in ways that are fulfilling to me. I work with and for people whom I love, and who love and respect me, in a wonderful location, earning good money.
